SERVICE BULLETIN

Ride Manufacturer: Majestic Manufacturing

Affected Production Dates: Nov. 2004 and Feb. 2005

Ride Name: CATCH 'N AIR

Affected Serial Nos.: 1112, 1114

Model Number:

Abstract of Issue:

This bulletin is to notify the owners about a concern with the design of both removable ramps on Catch'n Air 1112 and 1114.

Reason For Release:

There has been reported damage to the top plate of the removable ramps.

Action To Be Taken: (Inspection, Modification, Replacement, NDT, Order Parts, Manual Revision, Procedural Change, etc.)

Inspections of both removable ramps for any damage especially the top plate should be done before operation. If there is any damage, please notify the manufacturer immediately for repairs.

Detail Of Issue:

(Text/Drawings/Schematics)

Check top plate for any dents and damage.

Check for any cracks in welds.
